

What's Happening in the Deanery and Diocese:

Do you know of any young people aged 20-25 who are interested in peace-building and reconciliation? If you do, there's a Peacemakers Forum at the University of Cambridge and Lambeth Palace taking place on 8-19th July. This is an exciting opportunity to meet inspirational faith leaders and an opportunity to develop relationships with people around the world.

Have you looked recently at our Diocesan website? It is helpful to know what others in the Diocese are doing and to know what training opportunities there are. For instance, for those interested in developing their prayer life, there is a new resource to introduce, support and encourage different ways of praying called 'The Canterbury Pilgrim's Prayer Pack'.

For those who might wish to do some theology there is, in the Canterbury diocese, an excellent study centre by the name of St. Augustine's College of Theology. Again there is a quick link on the Diocesan website.
